DESCRIPTION

The apartments at Royal Wharf are designed with contemporary London living in mind and offer well thought out floor plans and generously proportioned open plan living spaces with private balconies and terraces. From here you can relax and take in the tranquil views over the leafy parks and courtyard gardens and onto the River Thames. Each apartment is finished to a high standard with engineered oak wooden flooring to the kitchens, living spaces and entrance hall, luxurious carpets to the bedrooms and tiling with stylish colourways to the bathrooms, while fully integrated open plan kitchens and floor to ceiling windows lend a feeling of light and space.

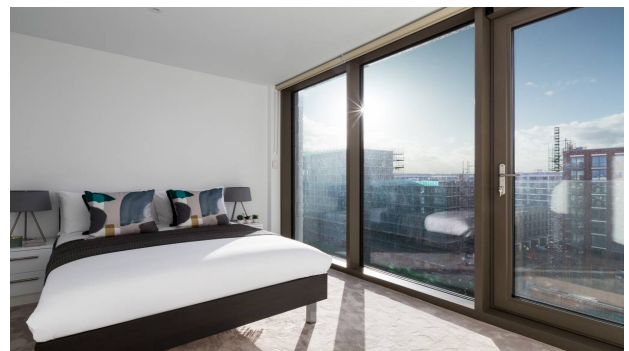

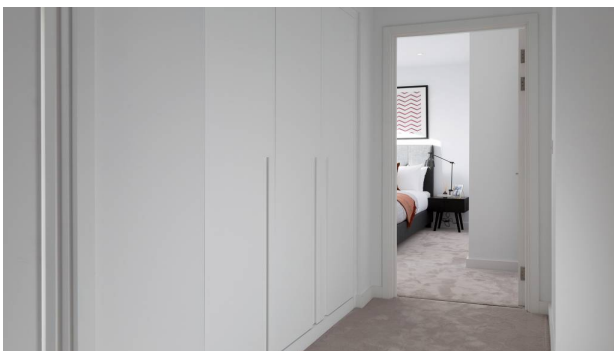

Our studio and one bed apartments are efficient in use of space whilst still providing generous living areas and plentiful kitchen space. Lateral living comes into its own in our family sized 3 & 4 bedroom apartments. Open plan living and dining areas make for great spaces to entertain whilst benefiting from living on one level.
